LEAGUE INFO CONTACTS SCHEDULES STANDINGS

WELCOME

You are visiting the website for the Kanata Mens Lobbball League, a league that has seen teams playing lobbball from the Kanata, ON and Stittsville, ON area for more than 25+ years. Our season runs from May through the end of September with games played Mon thru Wednesday on diamonds in the Bridlewood area. Games are played at 6:30pm, 8:00pm and 9:30pm each evening with teams playing once a week normally.

In March and April of each year, new players who are interested in joining teams are welcome to give us their contact details. As team captains indicate they need players, we will offer them your information so they can contact you about their team. Please come back to our website in March and April if you thinking about trying to find a team to play on.

Feel free to visit our site to learn more about the league. You can also use our contact page to send us any questions you may have about the league. Someone will get back to you within 72 hours with an answer.

Only 17 days until Monday, May 2, the opening day of the 2011 season!

Notes

- Phone numbers are 10 digits only (no extensions) and are entered without spaces or hyphens.
For example:
Correct: 6135551212
Incorrect: 613-555-1212 or (613) 555-1212 or 555-1212 or 5551212
- Password must be 8 characters long and consist of only alphanumeric characters (letters and digits). No special characters or spaces. At least one letter and one digit must included in the password. Password can be longer than 8 characters.
- Alternative email address is just used when sending emails out to your account. It is not acceptable as a login email address.

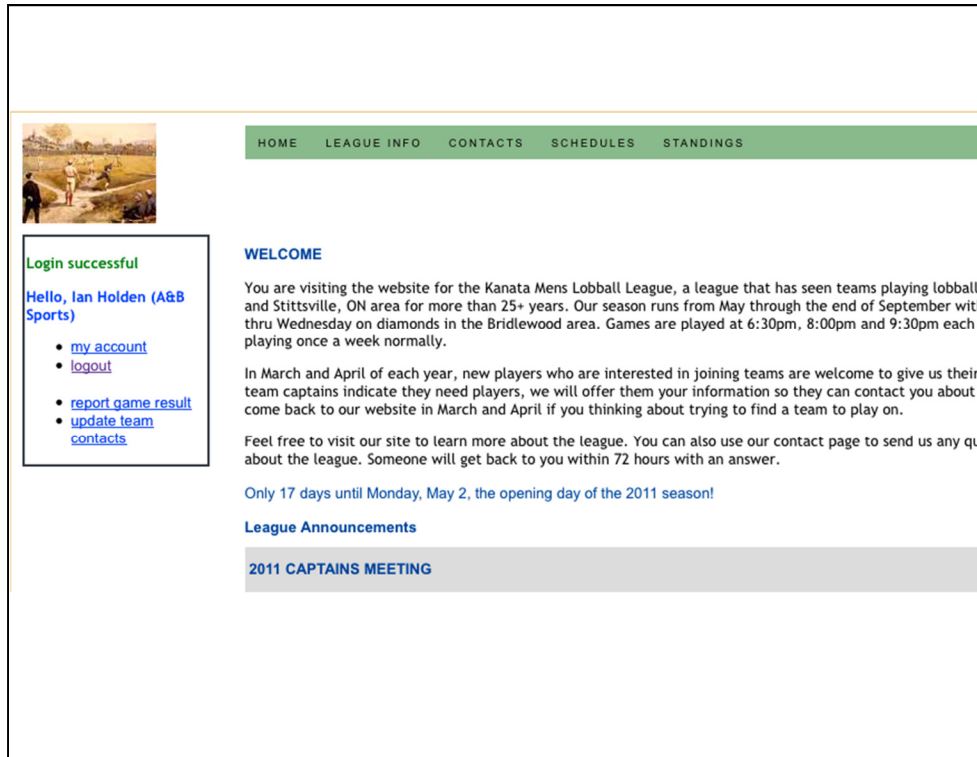

You must provide information in the fields marked **required**

Use the notes for the phone number format - 10 digits, no spaces or hyphens

Upon registration, the email is sent to the address you provided with your login details

The Alternate Email Address is a secondary address that is used for league issued emails. Useful if you wanted to have a work email address copied but keep your primary address as your work

When you make changes to your contact information, you will have to re-enter your password twice in the form

Upon logging in, the login area will contain personal navigation choices

Navigation Design

The top menu is available for anyone; the left hand menu is navigation choices related to the account owner logged in

If you have been recognized as a team contact, your team name will appear beside your name in the personal navigation area

Each team **MUST** have 2 registered contacts who have valid email addresses but can optionally also have a 3rd contact; 3rd contact could be useful if other contacts are away or unavailable;

Team contacts do **NOT** have to be a registered web account (useful for 3rd contact maybe) but if not registered, are only shown as an email address

If you click on an email address, your email client will open a new message to that address; if you click on a team name, a new message with all the email addresses for that team will be opened

Team contacts registered with the site can manage their own list of team contacts - no more having to go through the exec for changes; use the link **update team contacts** in your personal navigation menu

Upon clicking **report game result**, you'll see the current month's games in a calendar format; click on the game you wish to report upon and a sub-window will appear

Either team can submit a game result - usually winning team is the best or home team if tied; only 1 team needs to do it though

The site will automatically remind teams for any game results not reported after 72 hours on a daily basis

Rainout games **MUST** be reported within 24 hours if we are to get any reimbursement from the city

After the results are submitted, the contacts for both teams will be emailed the results. If the other team doesn't agree with the results submitted, I ask the team captains to try to come to an understanding first - results can be changed/resubmitted for a time
